

**OBJECTIVES**
**PORTFOLIO OBJECTIVE**

The objective of the fund is to seek, through a combination of capital growth and income, returns above the IA Mixed Investment 0-35% Shares Sector. By adopting an investment policy using a wide range of Assets and actively avoiding areas deemed overvalued, a key advantage to the IBOSS I fund is the low volatility of returns which are comparable to that of the IA mixed investment 0-35% Shares sector but without the constraints therein.
