

FUND DETAILS
PORTFOLIO OBJECTIVE

The objective of the Sub-fund is to seek, through a combination of capital growth and income, returns above the IA Mixed Investment 20-60% Shares Sector (although the investment constraints of this sector do not apply to this sub-fund). By adopting an investment policy using a wide range of Assets and actively avoiding areas which could be deemed overvalued, a key advantage to the IBOSS 2 fund is the low volatility of returns which are comparable to that of the IA mixed investment 20-60% Shares sector but without the constraints therein.

IMPORTANT INFORMATION

IBOSS Asset Management, the fund manager, is authorised by the Financial Conduct Authority and is subject to regulation by them.

Margetts Asset Management is the authorised Corporate Director (ACD).
