

**PORTFOLIO DETAILS**
**PORTFOLIO OBJECTIVE**

The objective of the portfolio is to seek, through a combination of capital growth and income, returns above the IA Mixed Investment 40-85% Shares Sector (although the investment constraints of this sector do not apply) by adopting an investment policy using a wide range of assets and actively avoiding areas which could be deemed overvalued. A key characteristic of the Sustainable MPS 4 portfolio is the adoption and use of a range of funds which fall under the IBOSS Sustainable Framework.
