

## **PORTFOLIO DETAILS**

## PORTFOLIO OBJECTIVE

The objective of the portfolio is to seek, through a combination of capital growth and income, returns above the IA Flexible Investment Sector (although the investment constraints of this sector do not apply) by adopting an investment policy using a wide range of Assets and actively avoiding areas which could be deemed overvalued. A key characteristic of the Sustainable MPS 7 portfolio is the adoption and use of a range of funds which fall under the IBOSS Sustainable Framework.
