

PORTFOLIO DETAILS

PORTFOLIO OBJECTIVE

The objective of the Portfolio is to provide total return over any 6-year period. For these purposes, total return means the amount of capital and income an investor earns. Capital is at risk and there is no guarantee that the objective will be achieved.

ASSET ALLOCATION

SECTOR ALLOCATION

The underlying portfolio charge is calculated using preferred share classes—these are subject to availability and may vary slightly between platforms. Cost caps are subject to the availability of the preferred share classes—further details are available upon request. The value of investments may go up and down, and you may get back less than you invested originally. Risk factors should be taken into account and understood, including (but not limited to) currency movements, market risk, liquidity risk, concentration risk, lack of certainty risk, inflation risk, performance risk, local market risk and credit risk. This communication does not purport to be all-inclusive or contain all of the information that a proposed investor may require to decide whether to invest in the Portfolio. Nothing in this document constitutes a recommendation suitable or appropriate to a recipient's individual circumstances or otherwise constitutes a personal recommendation. This document has been issued by IBOSS Asset Management Limited, which is authorised and regulated by the Financial Conduct Authority. Financial Services Register Number 697866.

Since Launch: Launch of PMS Portfolio 01/11/2008. The Managed Portfolio Service (MPS) past performance figures include simulated past performance to 1st November 2018. Simulated figures are based on the actual performance figures of the Portfolio Management Service provided by IBOSS Limited. Past performance and the simulated past performance is not a reliable indicator of future performance. The Managed Portfolio Service (MPS) performance is produced using the preferred share classes, this may differ from platform to platform. The Managed Portfolio Service (MPS) is shown net of fund fees only, and does not incorporate platform costs, adviser's client fee, or DFM service charge. Data is provided by FE Analytics. Care has been taken to ensure that the information is correct, but FE neither warrants, represents, nor guarantees the contents of the information, nor does it accept any responsibility for errors, inaccuracies, omissions or any inconsistencies herein. FE data should only be given to retail clients if the IFA firm has the relevant licence with FE.

The value of investments may go up and down, and you may get back less than you invested originally.
